

National School Library Standards Card Game Order Form

To help explore the AASL Standards and facilitate professional conversation, AASL has created a deck of cards that can be used by school librarians as a professional development tool. This game was designed to aid in conceptualizing the standards, developing implementation strategies, considering differing approaches with stakeholders, and promoting conversation among practitioners.

SHIPPING & RETURNS

Order forms and payment must be received by AASL 10-business days prior to the date you need to receive your order. Submitting an order later will jeopardize the product being received in time for your event. Shipping costs to the recipient are covered in the price of the game for domestic orders. For questions regarding shipments, or for a quote on alternative or international shipping methods, contact AASL at 312-280-4382 after faxing your order. Items may be returned for a refund within 30-days of receipt.
